Repels:

LABEL INSTRUCTIONS

DIRECTIONS FOR USE

Not recommended for use on children under 12 months old. Smooth KIDS + Antiseptic Insect Repellent evenly onto all exposed skin. While outdoors reapply at regular intervals or as necessary. DO NOT apply near eyes or mouth or to lips, broken skin or children's hands. Instruct children on how to use.

NOT TO BE USED FOR ANY PURPOSE, OR IN ANY MANNER, CONTRARY TO THIS LABEL UNLESS AUTHORISED.

SAFETY PRECAUTIONS

For external use only. If rash or irritation occurs, discontinue use. If swallowed, seek medical advice. Do not apply to eyes, mouth or babies hands. Avoid contact with food and food utensils. Avoid contact with spectacle frames, soft plastics or synthetic fibres, timber fittings and furniture.

DEET WARNING: May be dangerous, particularly to children, if used in large amounts on the skin, clothes, or bedding, or on large areas of the body, especially if you keep using it for a long time.

FIRST AID: If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 13 11 26, New Zealand 0800 764 766.

STORAGE & DISPOSAL

KEEP OUT OF REACH FROM CHILDREN. Keep in upright position, in cool dry place. Store in closed original container. Dispose of bottle by putting in garbage.

BE SAFE WITH DEET WHEN APPLYING TO SENSITIVE SKIN OR CHILDREN 12 MONTHS AND OVER.

BE SAFE WITH DEET WHEN APPLYING TO SENSITIVE SKIN OR CHILDREN 12 MONTHS AND OVER

- + Apply the insect repellent to your own hands before applying them on your child or to your own face.
- + Avoid applying repellent on sensitive areas around eyes, nose and mouth.
- + Use the repellent carefully around their ears.
- + Do not apply repellent to children's hands.
- + Never allow young children to apply insect repellent themselves. Always have an adult do it for them.
- + Do not apply repellent to skin under clothing.
- + When using on kids, make sure the repellent product you buy states any age restriction on the label.
- + Always follow directions carefully while using on children.
- + Avoid excessive use and over-application
- + Before using, apply the product to a small area of skin to make sure you will not react to the repellent.
- + Never apply it over cuts, wounds or irritated skin or under clothing.
- + Avoid spraying in enclosed areas.
